Supporting Teaching and Learning Through Collaboration

D2L Brightspace: Getting Started

Free webinars for instructors who are new to D2L Brightspace

Are you looking for opportunities to learn more about how to effectively set up your courses using D2L Brightspace? Brightspace is an integrated suite of web-based tools that help instructors manage their courses including content, discussion forums, assignments, grades and overall course design.

The MnSCU Special Interest Group: Learning Spaces & Instructional Technologies will be holding a series of free 1-hour webinars to get faculty who are new to D2L Brightspace up and running. Internet access available from home or campus – whichever works for you. Session size is limited!

The following sessions will be held July 27 thru August 28:

- Organize Your Content (Content & Course Builder Tools)
- Using Respondus Quiz Tool
- D2L Brightspace Quiz Tool
- News, Classlist and Email
- D2L Brightspace Discussion Board Tool
- Points Based Gradebook
- D2L Brightspace Dropbox

For full description, dates and registration: https://mnquality.eventbrite.com

The Special Interest Group Instructional Technologies and Learning Spaces is an opportunity for Minnesota State Colleges and University schools to share and collaborate best practices that focus on teaching and learning and learning spaces. There will be **free** monthly webinars. **For more information and the latest webinars log onto: https://mnquality.eventbrite.com. If you have questions email Robin O'Callaghan at ROCallaghan@winona.edu.**
